

Activities and Events

Here at First Stop for Youth you can take part in loads of different activities...

We take people boxing or to play pool and snooker each week...

You can also take part in different workshops and learn to produce quality music and art!

Or just hang out in the internet café

At First Stop you can get advice on things such as housing, benefits, drugs/alcohol and more...

We have visits from Connexions to advise on careers, jobs and training...

We also run a sexual health service every other week which includes pregnancy testing and the C-card...

And we have visits from MAC who provide advice on legal, consumer and benefits issues...

We can also arrange family mediation... Anything else?
Just ask!

WHAT WE DO DURING THE DAY

First Stop Darlington offers a relaxed and friendly café style drop in for people of all ages. It provides information and support to those who are homeless or socially excluded. We provide laundry and shower facilities as well as practical support for a wide range of issues.

We are always trying to improve our services for young people so we welcome your comments and feedback. If you have any ideas or suggestions then you can easily speak to any one of our workers. If you would prefer then you can speak to our Youth Development Worker
